**TO ALLOCATE FUNDS TO ENSURE CONTINUA-
TION OF AIDS MEDICATION
(Supercedes Executive Order 97-10)**

WHEREAS, the AIDS Drug Assistance Program, administered by the Department of Health Services, HIV/STD Office, will deplete its current year funding before the end of March without emergency measures to ensure continuation of AIDS medication services to those currently enrolled in the program; and

WHEREAS, the AIDS Drug Assistance Program provides access to medications used to treat HIV and prevent the onset of related opportunistic infections for low income people living with HIV/AIDS who do not have adequate private or public health insurance; and

WHEREAS, during the past year there have been many advances in the treatment of HIV and the prevention of illness in those infected which will exhaust the current funding level of the AIDS Drug Assistance Program; and

WHEREAS, the inability to provide the more cost-effective AIDS medication services to eligible HIV/AIDS individuals would ultimately increase costs to Arizona taxpayers for hospitalization; and

WHEREAS, during the 1997 First Regular Session of the Forty-third Legislature, the Health Crisis Fund was established, authorizing the Governor to expend funds in order to respond to an existing health crisis;

WHEREAS, in Executive Order 97-10, an earlier allocation of \$600,000 was authorized from the Health Crisis Fund for Continuation of AIDS medication.
